Exclusive Enclave Living | The Abigail Floorplan- Welcome to Hermosa, an intimate enclave of just nine homes, where exclusivity meets modern craftsmanship. This luxury Craftsman-style residence blends timeless design with sophisticated finishes, offering a lifestyle that is both elevated and effortless. Step inside to an open floor plan centered around a stunning 8-foot kitchen island, ideal for entertaining or gathering with family. A butler's pantry adds both function and flair, while the oversized owner's suite impresses with its spa-inspired bath and private coffee bar nook. Throughout the home, you'll have LVP floors, energy-efficient GE appliances, and thoughtful details designed for everyday comfort. Enjoy seamless indoor-outdoor living on back patio, overlooking a low-maintenance yard. Positioned in the sought-after Mountain View Elementary district and walkable to Simpson Middle School, shops, and dining, this address pairs prestige with convenience. This is more than a home—it's one of just nine chances to own in this rare community.
